Watch NLE Choppa give his opps the 'Final Warning'

NLE Choppa released the official video for 'Final Warning'. Produced by Damn E, the same guy who produced the sensational 'Beat Box' for Spottengottem, Memphis' shining star details. Watch the video to see him do the Junebug Challenge and other dances with friends. The song follows his 'First Day Out' track, one of the many freestyles over the 'Beat Box' instrumental.
