August 26, 2022 (Los Angeles, CA) – Global superstars **David Guetta** and **Bebe Rexha** join forces on anticipated new single “**I’m Good (Blue)**,” out today on **What A DJ/What A Music/Warner Records**. Listen [HERE](#).

“**I’m Good (Blue)**” combines Bebe’s soulful vocals with euphoric piano chords and infectious dancefloor energy. Already a **TikTok** smash, the sound has amassed **130,000 total creations** and **over 500 million views**. **Rexha** and **Guetta** first began working on this song five years ago, and after generating serious online buzz it is finally now ready for an official release.

It follows a typically prolific run of singles from **Guetta**, including a monstrous modern rework of “**Satisfaction**” with **Benny Benassi** and dancefloor heater “**Family Affair (Dance For Me)**,” which has achieved over 10 million streams since its release. **Guetta** also continues to dominate the pop world, with recent hits “**Don’t You Worry**” with **Black Eyed Peas** and **Shakira** and the world-conquering “**Crazy What Love Can Do**,” a certified smash that has already surpassed **150 million global streams**, has been **certified gold** and is currently sitting at **No. 5** on the **UK Singles** chart.

The only DJ to have two residencies in Ibiza this season, the legendary ‘**F*** Me I’m Famous**’ party is underway on Mondays at **Ushuaïa**, where last month **Armin Van Buuren** joined **Guetta** onstage for a showstopping B2B set. His **Future Rave** residency with **MORTEN** is also taking place on Fridays at **Hï**, fresh off the back of a sold-out US tour.

Diamond-certified and Grammy-nominated pop superstar **Bebe Rexha** propelled herself into the spotlight with her platinum-certified debut album *Expectations* in 2018, which featured smash hit “**I’m a Mess**” and the diamond-certified single “**Meant to Be**” featuring **Florida Georgia Line**, which remained on top of the **Billboard Hot Country Songs** for a record-setting 50 consecutive weeks, making it the longest reign ever by a female lead artist. Not stopping there, **Bebe** received two Grammy nominations (**Best Country Duo/Group Performance** and **Best New Artist**) to date, has surpassed 4 billion YouTube views and more than 12 billion total global streams and counting. Her sophomore album *Better Mistakes*, released last May, includes the continuously rising dance anthem “**Sacrifice.**”

Releasing cutting-edge track after cutting-edge track, there is a reason why **David Guetta** is widely considered to be the most complete artist in dance music today.
