New Music Releases November 18: Gucci Mane, Saweetie, BROCKHAMPTON, Dermot Kennedy and More

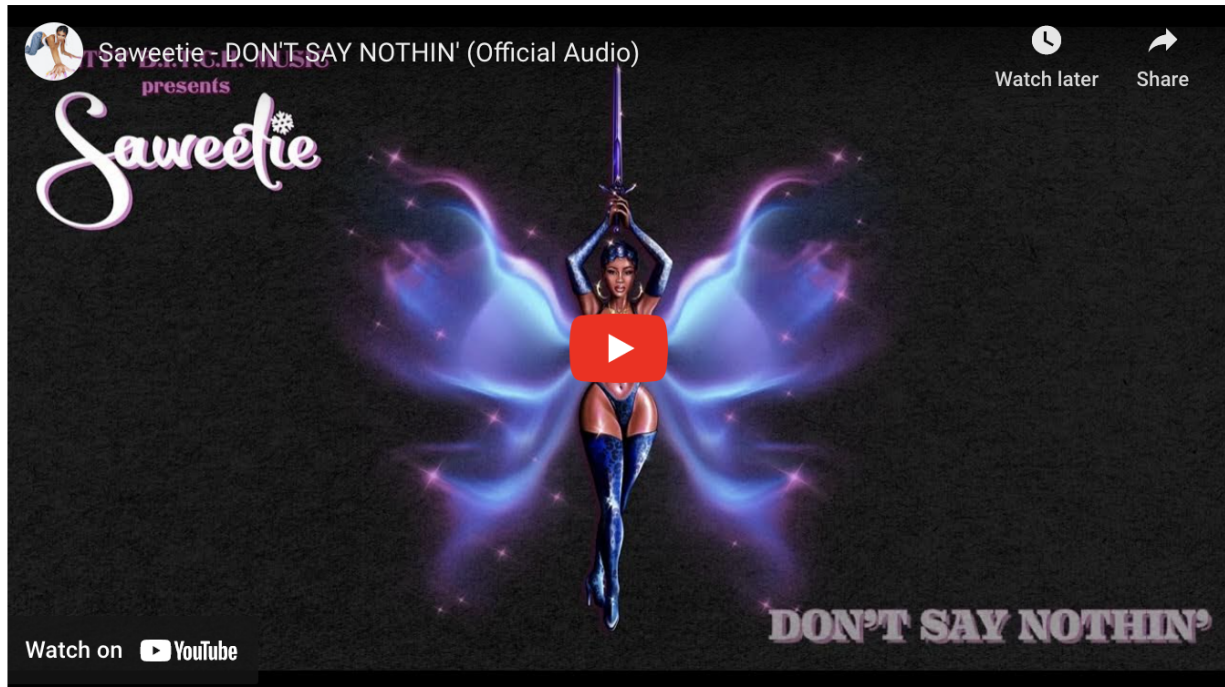

Happy [New Music Friday](#)! It's every audiophile's favorite day of the week, and some of our favorite artists from all different genres have blessed us with new tunes.

[Gucci Mane](#) shared a heartfelt new track, "Letter to Takeoff," in memory of the [late Migos rapper](#). [Pharrell Williams](#) and [Travis Scott](#) teamed up on "Down In Atlanta." And [Nicki Minaj](#), [Maluma](#) and Lebanese singer Myriam Fares collaborated on "Tukoh Taka," the official FIFA Fan Festival Anthem, ahead of the 2022 World Cup.

[Billy Ray Cyrus](#) released a duet with [fiancée Firerose](#), former Florida Georgia Line member Brian Kelley held "Florida Strong" with his new solo single, and the BROCKHAMPTON boys said an epic farewell to fans with their final albums, *The Family* and *TM*.

Read on to check out some of our favorite recommendations for new songs and albums to listen to this week -- plus, where you can stream them now!

"DON'T SAY NOTHIN'" - Saweetie
