**July 22, 2022 (Los Angeles, CA)**- Today, Baltimore rapper **Shordie Shordie** releases *More Than Music, Pt. 2*, a sprawling new project laced with neon melodies, unfiltered emotion, and all the inimitable charisma of its creator. Listen [HERE](#) via Warner Records. The project also includes "The Wire," an infectious new single and video featuring Rich Homie Quan. Watch [HERE](#). Recently, he became the first Baltimore rapper to go 2x Platinum and has also crossed the 1 billion stream mark which he is seen receiving a plaque for below.

On "The Wire," **Shordie** and Rich Homie Quan trade passionate verses and showcase an unexpected synergy. In the accompanying video, the pair get up close and personal about life in the fast lane. It's a full circle moment for Shordie to feature one of his musical influences on the track which is a tribute to both the iconic TV series and the Baltimore streets that raised him.

As a whole, *More Than Music, Pt. 2* is also a reminder of the dynamic style that's made **Shordie Shordie** one of the most distinct rappers Baltimore has ever produced. The 17-track project sees **Shordie** maneuver between sultry, playful tracks like the previously released "[Body Language](#)" and feel-good lovesong "[Pon De River](#)." It's a thrilling debut from a budding star.

Additionally, *More Than Music, Pt. 2* is a sequel to **Shordie's** 2020 effort, *More Than Music*. With detailed, dynamic songwriting, *More Than Music, Pt. 2* refines the aesthetic and approach that he debuted on *Pt. 1*. Soon, **Shordie** will get to bring his growing gifts on the road, with his first-ever

headlining tour, a move that was preceded by countless studio hours and a steadfast commitment to leveling up.

Blending emotionally transparent lyrics with a knack for melody, **Shordie Shordie** cuts through musical monotony with a distinct rasp and an instinct to sing his heart out. Since bursting onto the scene as part of the duo *Peso Da Mafia* in 2018, he has rendered tales of heartbreak and romantic ambivalence with a singular style that's made him one of rap's most original stylists.

With "Choosing" and *More Than Music, Pt. 2* at his back, **Shordie Shordie** is set to continue his perpetual rise, which should take him to new heights throughout the rest of 2022 and beyond.
