January 26, 2023 (Los Angeles, CA)– Today, Atlanta rapper **Bktherula** unleashes her in-your-face new single “**TAN.**” Listen [HERE](#) and watch [HERE](#) via **Warner Records**. Unapologetic and brazen, the blistering track showcases the 20-year-old’s knack for conjuring unforgettable hooks and attitude-filled lyrics. It follows “[FOREVER PT. 2 \(JEZEBEL\)](#)” as the latest cut from **Bktherula’s** forthcoming *LVL 5, Pt 1* EP on February 17. Pre-Save [HERE](#).

Proudly abrasive and off-kilter, the new single finds the rapper, singer, and songwriter laying down the law. “*Who walk in this bitch on some money shit?*” **BK** asks, before dropping commands (“*If we on a trip to Hawaii bitch get a tan*”) and advice (“*Take a blue pill I don’t recommend, I’m taking red*”) over sultry samples and whirring effects. It’s hard not to fall for her confidence and bravado.

“**TAN**” is **BK’s** first new single since dropping the soulful “[FOREVER PT. 2 \(JEZEBEL\)](#)” featuring Destroy Lonely in July, which came on the heels of the rapid-fire “[Through 2 U.](#)” The rising hitmaker reemerged early last year with the velvety two-pack “[Coupe/Keep da K](#)” — a gift to fans eagerly awaiting the follow up to 2021’s psychedelic and color-drenched *Love Black* album. The twofor was bolstered by a dreamy, hallucinogenic visual for “*Coupe.*”

Now, with another irrepressible track under her belt and a new project on the horizon, **Bktherula** is ready to take her place at the forefront of hip-hop.
