June 10, 2022 (Los Angeles, CA)– Today, critically lauded artist **Joji** has released his first new music since his sophomore album, *Nectar*, came out in 2020. Entitled “**Glimpse Of Us**,” the stripped-down piano ballad – released by acclaimed music collective **88rising** – is a tender and lovelorn remembrance of a past relationship. Anchored by one of the most commanding choruses **Joji** has ever written and sung, “**Glimpse Of Us**” is at once new but familiar, showcasing **Joji**’s incredible vocal range and melancholic delivery. A music video for the track also premiered today. Directed by Dan Streit (Brockhampton, Charli XCX, Diplo), the docu-style edit offers a sharp contrast to the elegiac ballad. All captured by one enigmatic figure behind the camera, the video depicts a day in the life through various acts of delinquency and sowing chaos.

The release of “**Glimpse Of Us**” follows **Joji**’s debut at the 2022 Coachella Valley Music and Arts Festival - one of the weekends’ most highly-anticipated and talked-about performances. As such, **Joji** is announcing his full North American *SMITHEREENS TOUR* for this Fall. All tour dates are below. Tickets for these shows go on-sale next Thursday, June 16, at 10 AM local time in each market. **Joji** will also be making appearances at a number of festivals this year, including **Governors Ball Music Festival** this weekend, **Day N Vegas**, and a special DJ set (as Yebi Labs) at this year’s **Head In The Clouds Festival** by **88rising**, taking place August 20-21 in Pasadena, CA.

The Japan-born singer and producer **Joji** is one of the world’s most enthralling artists with over 7 billion streams to date. **Joji**’s sophomore album, *Nectar*, debuted at #1 on Spotify’s inaugural US Weekly Top 50 Albums chart, #1 on Billboard’s Independent albums chart, and #3 on the Billboard 200. *Nectar* debuted at #1 in Australia and in the top 10 in New Zealand, Canada, UK, and Norway.

Joji also earned his highest-ever debut on the Billboard Hot 100 with the RIAA-certified Gold song "Run," and his national television debut on *The Tonight Show Starring Jimmy Fallon*.
