**October 26, 2023 (Los Angeles, CA)** – Today, breakout rapper/singer-songwriter/actor **Baby Tate** releases her wildly ambitious new visual EP, ***Baby Tate Presents – Sexploration: The Musical***. Listen [HERE](#) via **Warner Records**. As the title suggests, the 5-track set is a bold exploration of sexual identity and taboos, relationships, self-confidence, and much more. Bursting with raw lyrics, catchy hooks, and club-friendly production from Justin Tranter and more, the EP is destined to be a crowd-pleaser.

***Baby Tate Presents – Sexploration: The Musical*** kicked off earlier this year with the frenetic and high-energy single "[Jersey](#)," setting the stage for **Tate**'s exuberant world of infectious lines and colorful production from **Justin Tranter**. The EP opens with "[Luv Everybody](#)," a bouncy anthem in which **Baby Tate** proclaims her pansexuality. She also presents a cast of characters who join her journey of sexual freedom and exploration in the track's visual. "*Ain't no need to fight about me, I love everybody*," she sings on the addictive chorus.

Continuing the titillating theme of **Tate**'s stage play is "[Lollipop](#)," which spotlights the hitmaker's vocal chops as she shows off seductive dance moves in a candy-coated setting. Also included are "**Grip**" and "**Wig**," a piano-centric stomper in which **Baby Tate** showcases her rapid-fire flow. Throughout the EP, it becomes clear that **Baby Tate** is laying her beliefs on the line and connecting with fans in a whole new way. The ambitious project follows white-hot collabs with MFS and Tyler Cole — "Bow" and "I Don't Wanna Dance," respectively.

Those tracks were preceded by **Baby Tate**'s hit reimagining of "[Hey Mickey](#)." Her original version,

which first dropped in 2016 before going hyper-viral on TikTok earlier this year, has already amassed more than 100 million cumulative streams. She then followed it up with a [remix](#) featuring fellow rapper Saweetie.

The rising artist has been fusing pop, rap, and R&B since the release of her 2015 debut project, *ROYGBIV*, which she followed with 2019's acclaimed *GIRLS*, and 2021's *After the Rain*. When **Baby Tate** isn't defying genres with her inventive tracks, she's collaborating with her contemporaries like LAYA on the genre-bending "[Sailor Moon 2.0](#)" and JID on the 21 Savage-assisted "[Surround Sound](#)" from his *The Forever Story* album.

***Baby Tate Presents – Sexploration: The Musical*** elevates the artist and performer, setting the stage for an exciting new chapter of her career.

**ABOUT BABY TATE:**

Baby Tate represents for the most vibrant among us. The 27-year-old classically trained singer, songwriter, rapper, producer, engineer, and dancer has always channeled her energy into creating music that reflects the Technicolor recesses of her mind. Her discography thus far consists of concept projects like *ROYGBIV*, *BOYS*, and *GIRLS*, all of which saw her exercising full creative control, and more flexible bodies of work like 2020's *After the Rain*, which features her empowering hit "I Am." Her latest EP, *Baby Tate Presents – Sexploration: The Musical*, takes listeners on a theatrical expedition through sexual identity, relationships, and self-confidence. Baby Tate's move from her birthplace of Atlanta to Los Angeles has motivated her to experiment within more sonic landscapes than ever before. She has also been inspired to delve further into

her sexual identity: after previously coming out as bisexual on social media, she now identifies as pansexual. The result of opening up her artistic and personal worlds is *Baby Tate Presents – Sexplosion: The Musical*, a five-track pop&B production on which she shares her experiences in greater detail. Through everything she does, but especially in her music, Baby Tate strives to create a safe space that challenges sexual norms and embraces gender diversity. By boldly defying stereotypes, she serves as an inspiration for everyone—especially marginalized people—to express themselves authentically.
