**March 15, 2024 (Los Angeles, CA)** – Breakout alt-pop artist **Ricky Montgomery** shares new single “**Unknown Phantom**” today via **Warner Records**. Leaning into nineties alternative rock influences, he stretches the scope of his sound once again, pairing hummable melodies with an electric guitar-boosted chorus awash in dreamy, distorted fuzz. The track follows the release of recent single “**It’s Ok To Cry**,” paving the way for more music to come very soon. Listen to “**Unknown Phantom**” [HERE](#).

About the track, **Ricky** says, “We wrote ‘**Unknown Phantom**’ on Halloween after my producer Tommy’s stepson walked into the studio wearing a costume with these red glowing eyes and scared me to death. It got us thinking about Halloween parties we had gone to as kids, and our early crushes and childhood memories in general. It all came together in just a few hours, and was instantly one of my favorite songs I’ve ever worked on.”

Meanwhile, **Ricky** is in the midst of his biggest North America headline tour yet—“[The Rick Tour: Another Rick in the Wall](#)”. He’ll cap off the 25+ date North American run with a sold-out show at The Wiltern in Los Angeles on March 23rd before hopping across the pond for shows throughout the UK/Europe, Singapore, and Australia. Check out the full confirmed itinerary below, and purchase tickets at [rickymontgomery.com/#tour](http://rickymontgomery.com/#tour).

With 2 billion streams and 8 billion TikTok views, **Ricky** continues to foster his devoted young fanbase that hangs onto every word of his sunny, soul-searching alt-pop about life

in all its messy and mundane glory. The recent release of his major label debut album **Rick** incited unanimous praise from fans and critics alike, with [WONDERLAND](#) promising, “this album is set to be a defining chapter in the career of Montgomery, fully coming into his own as an artist with depth, character and presence.” [Billboard](#) raved, “The listener can’t help but pay attention to Montgomery” and [FAULT Magazine](#) professed, “The album is a soul-searching journey through life’s trials and triumphs, woven together by Montgomery’s eloquent songwriting skills, sometimes whimsical narratives and always emotive storytelling.” Listen to *Rick* [HERE](#), and purchase physical formats of *Rick* [HERE](#), including vinyl, CD, and cassette.
