*"P2 ups the ante by nudging Bk further toward popular sounds without diluting her live-wire spark. For every romantically wounded interstellar croon session like 'Just Make Sure' or 'The Way,' there are prickly digital slappers like opener 'Code' or 'Tatti,' where the boasts are outlandish ('We don't ride with the stick, we are the stick, we livin' scarecrow') and no one's girl is immune from Bk's FaceTime call." - Pitchfork*

**April 2, 2024 (Los Angeles, CA)** – Bktherula shares the intense new video for "CODE," the opening song from her recent album *LVL5 P2*.

Listen to *LVL5 P2* [HERE](#) and watch "CODE" [HERE](#) via Warner Records.

Produced by azure, "CODE" is a bracing introduction to the world of *LVL5 P2*, buzzing with frantic percussion, speaker-shattering 808s, and dissonant synths. Bk rhymes in quick, declarative bursts, making very clear that she's operating on a level that very few can reach: "She trying it, said she *LVL5*, but I ain't buying it/Denying it, that is not your door because you prying it," she spits.

Directed by Bktherula herself, the video finds Bk performing the song in tight close-up, as she

delivers *LVL5* energy and bounces amidst shaking camera movements and flashing visual effects.

The 21-year-old **Bktherula** always follows her inner muse and makes music without emotional inhibitions or artificial creative boundaries. On her new album, *LVL5 P2*, **Bk** takes her hybrid sound into new territory. The album features the buzzing singles "[CRAYON](#)," which has earned over three million streams, and "[SHAKIN IT](#)," a collaboration with **Cash Cobain**.

Deepening a style she explored with her acclaimed 2023 album *LVL5 P1*, the new album deposits the listener directly into **Bk's** sonic realm, crafted by **Bk** with assistance from producers like **azure**, **Simmyauto**, among others. Songs like recent single "**THE WAY**" and new highlight "**RACKS UP**" add dollops of clean electric guitar to her room-enveloping sound, while songs like "WISHUWASDACREW" and "INSANE" borrow elements from chiptune and her beloved video game soundtracks. **Bktherula** always sounds perfectly at home, whether she's yearning for her love on a ballad like "JUST MAKE SURE," collaborating with **JID** on "WOMAN," or tearing through chaotic rage beats on songs like the ferocious single "TATTI." The new album earned praise in [Pitchfork](#) ("The Atlanta rapper's latest imagines a higher dimension where outré flexes and endless love affairs are enveloped by waves of metallic crunch and mind-expanding guitar"), [Alternative Press](#) ("The genre-bending rapper and singer-songwriter is competing in her own lane — perhaps even in her own dimension"), [HYPEBEAST](#) ("**Bktherula Shows Her Versatility on New Album 'LVL5 P2'**"), [The FADER](#) ("**Bktherula expands her consciousness on LVL 5 P2**"), and many other publications.

**Bk** began her preparation for *LVL5 P2* last year, sharing a string of successful singles, including "**It Wasn't Me (Freestyle)**" via On The Radar and "[CRAZY GIRL 2](#)" featuring YoungBoy Never Broke Again — a remix of "CRAZY GIRL" from last year's [Pitchfork](#)-acclaimed *LVL5 P1*. Prior to *LVL5 P1*, she released her EP *Love Nirvana (Acoustic)*, featuring original and newly stripped-down versions of beloved tracks, including "UH HUH," "Tweakin' Together" and "Summer."

**Bk's** new album will receive a warm welcome when **Bk** joins **PinkPantheress** on her "**Capable of Love Tour**," which takes the U.S. this April. Click [HERE](#) to buy tickets and see tour dates.

Recently named to [Forbes' annual 30 Under 30 list](#), **Bk** has built a devoted following by releasing tracks that showcase her raw emotions. Now, with *LVL5 P2*, she's done it again — delivering a singular statement that could never have come from anybody else.

**ABOUT BKATHERULA:**

Blending dystopian soundscapes with jumpy flows and ethereal melodies, Bktherula makes a new kind of rap psychedelia. Since breaking out with “Left Right” in 2019, she’s oscillated between raucous cloud rap and gentle R&B, fusing impressionistic songwriting with complex musicality to create affecting anthems that feel futuristic and universal. The 21-year-old has been rewarded with a growing legion of fans and a slot as Atlanta’s next-up in many critics’ estimations. To date, her songs have collected more than 265 million streams across multiple platforms. She’s planted more seeds with “TATTI,” the playfully braggadocious new single from *LVL 5, Part 2*, her kaleidoscopic new EP on Warner Records. Coated in dynamic sounds and subtle emotional depth, the tracks reflect a Bk who has leveled up in more ways than one. At age 13, Bk uploaded her first songs to SoundCloud. At 16, she was putting her playfully swaggering raps to the test at local shows in Atlanta’s rap underground. Now, following the release of *LVL 5, Part 1* and ahead of *LVL 5, Part 2*, she looks to soar higher than ever. This past spring, she embarked on her first-ever sold-out tour. Brainstorming new dreams, Bk looks to the future. “I want my music to inspire others to be the best version of themselves,” she says. “I feel extremely blessed where I am now and where I see myself going. I’m super blessed for my fans, because I wouldn’t be here without them.”
