(Los Angeles, CA) April 5, 2024 –Fresh from landing one of the worldwide viral hits of the last month with his infectious Latin Mafia rework of "Patadas de Aghado," producer and DJ heavyweight **HUGEL** decides to officially kick off the festival season with his new single, "**Shimmy Shake**" via Major Recordings / Warner Records. Listen to "**Shimmy Shake**" [here](#).

"**Shimmy Shake**" may ring a bell as it samples the 1994 740 Boyz classic of the same name. Three decades after the Dominican-American dance sensation rocked the charts, **HUGEL** breathes new life into the track while giving it a complete facelift. The French virtuoso preserves Winston Rosa's iconic vocals "*Bring that big bottom down / Bring that booty to the ground*" and the club live feel of the original song while injecting a fresh dose of energy into the club scene. The result? A bassline that's thicker than ever, synth signals that pulse for miles, and drops so colossal, they redefine what it means to drop the beat!

"Shake that curly, girly, high / Way up in the sky, come on!" With "**Shimmy Shake**," **HUGEL** is poised to elevate dancefloors worldwide to euphoric heights in the weeks to come. Bring on festival season!
